Dear Families of Fourth Graders,

We are looking forward to seeing you and your child at the special class for fourth graders and their parents, The Apostles' Creed. These two sessions will be a time to work on memorizing The Apostles' Creed, learning about the Trinity, and our experiencing our own confessions of faith. Kendra Hanson will be teaching these sessions.

We will meet at the regular Sunday School hour, 9:45--10:45 on **Oct 6 and 13, 2013** in room 8N. We will share what we have learned with the congregation at the 8:30 and 11:00 worship service on **Oct 20, 2013**, we will ask you to sign up for your service preference on Oct 6.

Fourth graders have entered a new stage of competence and understanding. They're more confident and insightful. They have begun to know what they believe and eager to share their beliefs with others. You'll be surprised at what they can tell you, and be encouraged by their confession of faith! This is also an age when they're beginning to measure themselves by their performance and the expectations of their peers. You can help solidify their confession, so that it is one that trusts in God above all others!

We're looking forward to a memorable time with you and your child. We'll play as we learn how to confess our faith. Plan now to join us for these three special weeks.

Yours in Christ,

Pastor Leta Behrens
